**Response Due Date:**  
**October 7, 2005**

Identification Number: C00381517

Reference: Mid-Year Report (1/01/05 – 6/30/05)

Dear Mr. Cramer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The beginning cash balance of this report should equal the ending balance of your 2004 Year-End Report (11/23/04 – 12/31/04). Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of

25038392499

the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2))  
The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-The identification of each contributor, including an adequate occupation and name of employer for each, must be provided if the person has contributed in excess of \$200 in the aggregate during the calendar year. Please amend Schedule A supporting Line 11(a)(i) for each entry inadequately identified as "employer/none" and "consultant/Self."

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to include the purpose for several joint expenditures to various vendors. Note that the activity or event identifier is not considered an adequate description of purpose. Please amend your report to include this missing information.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule H4 of your report to clarify the following descriptions: "lunch & office supplies

reimbursement," "office supplies," "reimbursement," "reimbursement, office supplies," "reimbursement, office supplies, stamps," and "reimbursement office supplies." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Schedule H4 of your report discloses reimbursements to individuals for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by committee staff that make up the reimbursement have to be itemized as memo entries regardless of the amount. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and an adequate purpose. Please amend your report to include the missing information. 11 CFR §§104.10 and 104.17, and Advisory Opinion 1996-20, footnote 3

-Schedule H4 of your report discloses reimbursements to individuals for "lunch & office supplies reimbursement," "office supplies," "reimbursement," "reimbursement, lunch," "reimbursement, lunch & postage," "reimbursement, lunches," "reimbursement, office supplies," "reimbursement, office supplies, stamps," and "reimbursement office supplies." Please be advised that when itemizing reimbursements to individuals for goods or services, payment to the original vendors must be itemized as memo entries regardless of amount. Each memo entry must include the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information. 11 CFR §§104.10 and 104.17, and Advisory Opinions 1992-1 and 1996-20, footnote 3

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please
